

College District (AVCCD) President and Superintendent, Edward Knudson, on his retirement from AVCCD after serving in higher education for over three decades.

Like many Americans in the Vietnam era, Ed answered the call to serve our nation in the United States Armed Forces. He continued this proud legacy of service by transitioning to the field of higher education. Working at his alma mater in the College of Business at Oregon State University, Ed moved on to teach at a number of institutions, including the University of Georgia, Western Oregon University, and the Linn-Benton Community College.

In 2002, Ed made his way to Bakersfield, California, where I would get to know him, his passion for teaching, and his love for the college community. Initially the Dean of Economic and Workforce Development at Bakersfield College, Ed was swiftly promoted to Vice President of Academic Affairs in 2006. In 2009, Ed moved to Moorpark College and in 2013, began his career with Antelope Valley College.

Serving as the President and Superintendent of AVCCD, Ed transformed the school. Under his leadership, Antelope Valley College awarded a record-setting number of degrees and certificates to students and a significant construction bond was passed, providing \$350 million towards renovations of the school's facilities. Moreover, Ed positioned Antelope Valley College to better serve our community's local workforce needs by developing a bachelor's degree program in Airframe Manufacturing for students.

Throughout his life, Ed has devoted himself to instilling a sense of duty and love of learning to every student he met. Though he will be greatly missed at AVCCD, I am confident he will continue to shape the lives of countless individuals. On behalf of the 23rd Congressional District of California, I would like to thank Ed for his service in higher education to our community in Bakersfield and Lancaster, and I wish him and his wife, Susan, the very best as they enter this new chapter in their lives.

**HONORING ANDREW "STEVE" HEALEY, III**

**HON. ANDY KIM**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 8, 2022*

Mr. KIM of New Jersey. Madam Speaker, I rise today to honor Andrew "Steve" Healey, III, a dedicated teacher and coach of 33 years for students throughout New Jersey.

For more than 25 years, Steve served as a teacher, head track coach, and defensive coordinator for the Central Regional High School football team. Using his experience as a Division I athlete at Simpson College, he oversaw the school's teams becoming multiple Shore Conference and State champions. Because of his leadership and passion, Steve was inducted into the New Jersey State Coaches Association Hall of Fame in 2003. At the conclusion of his tenure as head track coach, the team's final record was an impressive 188–51. It seems only fitting that tomorrow Central Regional High School will be naming the school's track in his honor.

His passion for coaching and encouraging students was seen just as frequently on the field as it was in the classroom. For his incredible work he was awarded Central Regional Teacher of the Year, the NJ Governor's Award for Outstanding Teacher, and the Who's Who Among America's Teachers.

Steve Healey is a shining example of what makes a coach and teacher successful: the ability to inspire athletes and students to reach their fullest potential by imparting knowledge and the tools necessary to succeed. I know I speak for New Jersey's 3rd District in congratulating Steve on this incredible tribute. The newly named track and the athletes who use it will now and forever know about Steve's incredible work ethic, competitive drive, and compassion. I congratulate coach on a distinguished career and thank him for imparting his values so we can strive to live by his example.

**HONORING MICHAEL CLARK FOR HIS SERVICE**

**HON. JAKE ELLZEY**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 8, 2022*

Mr. ELLZEY. Madam Speaker, I rise today to honor the life of a true Texan, Michael Clark. Mike was a hero that dedicated his life to the service of his country. He started his career as an interrogator conducting strategic level debriefings of legal travelers, escapees, and defectors along the border between East and West Germany. He later moved to counterintelligence where he was assigned to Ballistic Missile Defense Systems Command and was the covering agent for the Missile Intelligence Agency and the Strategic Defense Initiative Program (Star Wars) programs. It was here that he participated in multiple espionage investigations, the most notable was that of James Durwood Harper. After his success with counterintelligence Mike spent the next 20 years of his career in the HUMINT operations. It was with HUMINT as a case officer that Mike focused on spotting, assessing, and recruiting foreign nationals in order to conduct espionage for the United States. He then spent his final 8 years of service with U.S. Army Special Operations as the 1st Special Forces Operational Detachment Delta (Delta Force). Even after retirement Mike still served as a Senior Intelligence Operations Specialist for a USAF Special Operations unit and as CEO of OST-1, a security consulting company in Fort Worth Texas.

Michael Clark is a national hero who was an expert in his field and true war fighter. We lost a great man who will always be remembered for his service, love of his country, cigars, and Jameson Whiskey. But most of all the love he had for his family and friends. I thank Mr. Clark, for his dedication to our country and we all pray for peace for his family during this time.
